Dear Mr. Gibson:

Re: Field Visit, Bingham Mine, M/035/002, Salt Lake County, Utah

I have attached a copy of my field report with this letter. Please keep it for your records. I have submitted the same report to my supervisor.

The Minerals Team will be meeting this week or next to discuss some of the topics and concerns brought up in the field report.

In regard to any new waste dump or pit disturbance, please ensure the State's requirements for soil salvage and stockpiling are being followed.

Thank you for your attention.

Sincerely,

Holland Shepherd
Reclamation Specialist
